About Me

I'm Aggelos, a 17-year-old full-stack developer from Greece with a passion for building web applications that are both functional and visually engaging. I specialize in React and JavaScript with back-end experience in MongoDB and PostgreSQL. I'm currently freelancing and continuously learning through self-driven projects and online certifications.

Skills

- React
- JavaScript
- MongoDB
- PostgreSQL
- HTML & CSS
- A little bit of C++

Experience

Freelance Web Developer

Self-Employed
